FORGOTTEN DREAMS

International competition

Film and new Media MA Degree

## Project briefing

Forgotten dreams: "Dream, because in dreams you can find what the day cannot give you", states a quote by Jim Morrison. Is the dream the realization of an unsatisfied desire, or a self-deceit aimed at preserving and reinforcing a model of life?

Participants are asked to develop a project in this direction, using either classic narrative tools (story, narrative), or becoming itself a visualization of the theme (that means, writing a diary of their own dreams), or designing a New Media Art artwork.

## Deliverables

Participant need to develop, according to their approach to the project, one or more of the following components:

- a story of minimum 4000 characters
- a diary, either a traditional one or a blog
- a project including 20 slides (text + images).
